1. The case has been taken up on the second call. None is present for the petitioner.
2. By instituting the proceedings of this public interest litigation petition, a prayer has been made to direct the respondents to implement a system of email notification for all fast tag toll transactions for all users across India. Another direction sought is that respondents be directed to frame and notify a uniform policy for providing such email notification.
3. In our opinion, the prayers made in this writ petition can be better considered and adjudicated by the authority concerned. Accordingly, we disposed of this writ petition with the liberty to the petitioner to approach the

respondent nos. 1 and 2 by way of making a representation for ventilation of his grievances, within a fortnight from today.

4. Once any such representation is made, the same shall be attended to and appropriate action thereon shall also be taken by the authorities concerned with expedition.

5. The writ petition stands disposed of in the aforesaid terms.
