CM APPL. 29120/2026 (for issuance of further directions)

1. The petition bearing W.P.(C) 3849/2025 has already been disposed of *vide* judgment dated 13.02.2026 and is now taken up on CM APPL. 29120/2026, an application filed on behalf of the petitioner seeking further directions.
2. The Court is of the view that in a disposed of writ petition, there cannot be subsequent adjudication. The CIC has passed in order in purported compliance of the Court's direction. The legality of subsequent order, so passed will have to be challenged in appropriate proceedings.
3. With these observations, the application stands disposed of.
