**ORDER**

%

1. The accused/applicant seeks regular bail in case FIR No. 320/2021 of Police Station Gokulpuri for offence under Section 302/201/34 IPC.
2. Broadly speaking, allegation of the prosecution is that the accused/applicant and her husband killed the deceased by squeezing his private parts because he tried to rape the accused/applicant. But the post-mortem report does not show any injury on private parts of the deceased. According to post-mortem report, death of the deceased was due to strangulation. According to prosecution, since only the deceased and the accused/applicant and her husband were alone inside the tenanted premises, it is the accused/applicant and her husband, who have to disclose the manner in which the deceased was killed.
3. At the outset, learned counsel for accused/applicant seeks permission to withdraw this bail application with liberty to file afresh, disclosing about

the previous bail applications.

4. Accordingly, the bail application is dismissed as withdrawn with liberty as sought.
