ORDER

%

08.05.2026

1. The sole grievance raised by the petitioner relates to the final adjudication of his pending appeal bearing MCI 211 (2) (APPEAL-61) ETHICS. The petitioner submits that his wife had expired on 12.05.2017, due to medical negligence on the part of the doctors. The petitioner, thus, desired the final adjudication of the grievance raised before the authority. According to him, despite sufficient time, the appeal is not being taken to its logical conclusion.
2. Having considered the submissions in brief, the Court finds that the

pending appeal of the petitioner requires to be decided with due expedition. Accordingly, it is directed that the competent authority under the National Medical Council to decide the petitioner's pending appeal within a period of four months from the date of the receipt of a copy of the order passed today.

3. Petition stands disposed of.
