1. The petitioner has approached this Court by way of the present petition under Section 29A of the Arbitration and Conciliation Act, 1996 [hereinafter, "the Act"], seeking extension of the mandate of the Arbitral Tribunal seized of the disputes arising out of the Engineering, Procurement and Construction Agreement dated 02.05.2016.

claimant's evidence. The mandate of the Arbitral Tribunal expired on 15.05.2026, following which the petitioner has approached this Court seeking an extension of the same.

3. Mr. A.P. Singh, learned counsel appearing on behalf of the respondent, submits that the respondent has no objection to the extension of the mandate. He, however, submits that the parties ought to forego their claims to interest for the extended period. I am of the view that the question of entitlement to interest for the extended period may appropriately be left open for consideration by the Arbitral Tribunal at the conclusion of the proceedings. Accordingly, no further observation in this regard is warranted at this stage.

4. In view of the above, and with the consent of learned counsel for the parties, the petition is allowed. The mandate of the Arbitral Tribunal is extended for a further period of one year from today. The period intervening between the expiry of the mandate and the date of this order shall also stand regularised.

5. The petition, along with the pending applications, if any, stands disposed of in the above terms.
