4. The parties are known to each other through their respective family members. The brother of the complainant/respondent no.2 had married the sister of the petitioner. Certain disputes arose between the members of the two families, resulting in various criminal proceedings between the parties, including the filing of the present FIR at the instance of the respondent no.2. The sister of the petitioner subsequently expired and the proceedings arising out of one of the connected cases were closed.

5. Now, the parties have settled their disputes in terms of the Settlement Agreement dated 27th January, 2026, which has been placed on record as Annexure P-3 to the petition. In terms of the settlement, the parties have resolved their disputes.

6. The respondent no.2 is present in Court and has been identified by her counsel as well as by the Investigating Officer ('IO'). She informs the Court that she has settled the matter of her own free will and without any coercion. She further states that she has no objection to quashing of the present FIR.

7. The petitioner is also present in Court and has been identified by his counsel. He affirms the statement of the respondent no.2 and undertakes to abide by the terms of settlement arrived at between the parties.

8. Considering the above settlement between the parties, no useful purpose would be served by continuing with the proceedings of the present FIR and it would an unnecessary burden on the State exchequer. Hence, it would be in the interest of justice to quash the present FIR and the proceedings pursuant thereto.

9. Consequently, the FIR No.12/2018 dated 15th January, 2018, registered at P.S. M.S. Park, Delhi and the proceedings pursuant thereto are quashed.
