1. In view of the reply filed by the respondents and the averments made therein in paragraph no. 12, it would appear that the answering respondents are amenable for revisiting the order for imposition of environmental damages charges.

2. The Court deems it appropriate to dispose of the instant petition, with the following directions.

(i) Let the respondent to consider the petitioner's submissions as made in the instant petition, and, thereafter, to take the final decision in accordance with law with due expedition.

(ii) The impugned show cause notice stands quashed.
