3. He also states that even the petitioner's wife is suffering from cardiovascular diseases that are related to heart and needs treatment at a super specialized hospital having specialist doctors. According to him, the transfer order issued by the respondents need to be re-considered and the petitioner either be retained in Delhi or be posted nearby Haryana.

4. We have heard the learned counsel for the parties for some time. The learned counsel for the respondents on instructions from the officer states that the necessary medical facilities are available at the place of posting, and that the specialised treatment is also available at Dibrugarh which is 60 kms away from the place of posting. He also states that the petitioner can apply for an accommodation on the portal which remains open from 01st to 09th of each calendar month.
