of the complainant *de facto* depicts the accused persons including the present accused/applicant walking across the road along with a bag carried by each of them.

3. The accused/applicant was arrested on 24.07.2025 and continues to be in jail. Admittedly, nothing incriminating was recovered from the accused/applicant. Even the alleged CCTV footage shown to me does not appear to be a footage from the installed CCTV camera because the camera in the footage is also moving along with the person depicted therein and alleged to be the accused/applicant. It appears that the said footage was specifically clicked by someone with a video camera, following the person walking across the road.

4. It is also submitted by learned APP for State that there is no previous involvement of the accused/applicant in any such offence. However, subsequent to the present offence, the accused/applicant was booked in another theft in which he was declared proclaimed offender and was thus arrested in the said case and in the present case.

5. Considering the overall circumstances mentioned above, the application is allowed and accordingly, the accused/applicant is directed to be released on bail, subject to his furnishing a personal bond in the sum of Rs.10,000/- with one surety in the like amount to the satisfaction of the learned trial court. The accompanying application stands disposed of.

6. Copy of this order be immediately sent to concerned Jail Superintendent for being conveyed to the accused/applicant.
