Judgment

27/10/2026

1. This batch of writ petitions involves identical issues arising out of order dated 09.05.2026 passed by National Lok Adalat, whereby complaints filed by the petitioner-Finance Company under Section 138 of Negotiable Instruments Act have been allowed to be withdrawn. Since, the issue is similar, therefore, all these matters are being decided by this common order.

2. For the sake of convenience, facts stated in S.B. Civil Writ Petition No. 19188/2026 are being taken into consideration.

3. It is pleaded in the writ petition that the petitioner is a Financial Institution, which provides loan to the citizens. In order to secure loan, cheques are issued by the borrowers and since, the cheques are dishonoured, therefore, the petitioner filed complaints against the respective respondents in the above writ petitions before the Competent Court under Section 138 of Negotiable Instruments Act. The trial Court, on such complaint was pleased to take cognizance against the accused.

4. However, in the meanwhile, National Lok Adalat was organized on 09.05.2026 before the trial Court. As hundreds of cases filed by the petitioner-Company were pending before the trial Court, out of which in so many cases, compromise took place between the parties and money was recovered by the petitioner-Financial Institution, therefore, as per the list prepared, different applications were filed for withdrawing the complaints. Due to clerical error, numbers of these complaints were also mentioned in such prepared list and accordingly, applications were also filed by the petitioner before the National Lok Adalat for withdrawing these complaints, whereas in the present cases, the compromise has never been entered into between the parties, nor has the petitioner-Company recovered its dues. Learned counsel for the petitioner submits that under the circumstances, where the petitioner-Financial Institution has not abandoned its dues, dismissal of the complaint on being withdrawn by the petitioner-Institution is causing grave prejudice and miscarriage of justice to the petitioner. Hence, he has prayed for quashing orders dated 09.05.2026 and to restore the complaints filed by the petitioner.

5. Heard learned counsel for the petitioner, perused the record and also examined the nature of relief claimed by the petitioner. This Court finds that controversy is to be examined in the context of legal consequence of order of withdrawal dated 09.05.2026. It would be relevant to refer provisions of Section 280 of Bharatiya Nagarik Suraksha Sanhita, 2023 (for short 'the BNSS'), which are as under:-

> *"280. If a complainant, at any time before a final order is passed in any case under this Chapter, satisfies the Magistrate that there are sufficient grounds for permitting him to withdraw his complaint against the accused, or if there be more than one*

accused, against all or any of them, the Magistrate may permit him to withdraw the same, and shall thereupon acquit the accused against whom the complaint is so withdrawn."

6. Bare perusal of aforesaid provision would make it clear that the complainant can file an application to withdraw his complaint at any time before final order is passed on complaint by the concerned Magistrate and in case, he/she satisfies the Magistrate concerned, permission for withdrawal of the complaint shall be granted to the complainant. The provision further states that on such withdrawal, the accused in the complaint shall be treated to have been acquitted.

7. Thus, the legal consequence of order dated 09.05.2026 passed by National Lok Adalat is that the accused impleaded in the complaints in question have acquired status of acquittal in the complaint. Once the effect of acquittal is there, the petitioner cannot directly approach this Court by way of filing writ petition either under Articles 226 or 227 of the Constitution of India. Since, the petitioner has got remedy under the provisions of BNSS even against order of acquittal, therefore, no justified reason has come forward on behalf of the petitioner to bypass such remedy under BNSS and to directly approach this Court.

8. The reasons of alleged erroneous withdrawal may be howsoever genuine, no comments are being made by this Court on merits and the same can be examined by the Competent Court, where the remedy against order of acquittal is available.

9. For the reasons mentioned hereinabove, this Court finds that the writ petitions filed by the petitioner are not maintainable and are hereby dismissed.

10. It is made clear that mere dismissal of these writ petitions would not curtail rights of the petitioner to avail alternative remedy available to the petitioner under BNSS.

11. Pending application(s), if any, stand(s) dismissed.

12. Office is directed to place a copy of this judgment on record of each writ petition.
